

Addendum two

DATE: 05 December 2018

METHOD OF DELIVERY:

PROJECT NAME & NO.: File No.: 50/800

POSTED ON www.gov.bm/procurement-notice

This Addendum forms part of the RFP documents and will be subject to all of the conditions set out in the contract conditions. This Addendum One contains (two) page (s).

Addendum Two

This addendum provides clarification on the following questions submitted by a potential proponent;

- 1) Could we please get a copy of the Form of Agreement from Appendix A in the RFP? There appears to be no functional link in the RFP.

The form of agreement has been uploaded along with this addendum.

- 2) Is the Government looking for an Individual, or a consulting firm with a wide range of abilities to complete the majority of the work within the successful proponent's team?

The Government is looking for a consulting firm to provide individuals that will carry out the scope of works under the direction of the Principal Water and Sewage Engineer or designate.

- 3) Would the successful proponent (on this RFP) be precluded from proposing on design/engineering projects deemed too large for this RFP's assignment?

Yes. The successful proponent would be precluded proposing on design/engineering projects outside the scope of this assignment.

- 4) As per Question #3; is there a specific range of size of project that would be handled by the successful proponent whereas anything larger would go out to separate proposal?

The Government believes that range of size of project is not particularly relevant as Appendix D, A-Deliverables, Clause 1.1.5 illustrates the likely required duties of the consultant. Appendix D, A-Deliverables, Clause 1.1.2, provides the resources categories. For example we would require a senior engineer to work on high level and high value projects.

Proponents are requested to acknowledge receipt of this Addendum (two) by emailing

GOVERNMENT OF BERMUDA
Ministry of Public Works
Department of Works & Engineering

Engineering Support Services for the
Water and Sewage Section

Addendum *two*
