Asbestos Workers
Re-Certification

Workers Certification

15th May - 18th May 2023

Workers Re-Certification

22nd & 23rd May 2023

About The Program

Asbestos training is a requirement of the Department of Health based on the United States Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA). Some modifications have been made specifically pertaining to Bermuda.

This course is designed for workers certification, and workers re-certification handling friable and non-friable asbestos.

The course will deal with the removal or disturbance, other than maintenance of surfacing material; such as, sprayed or toweled on fire-proofing, insulation, acoustical, or decorative material. Also, thermal insulation such as pipe, tank, boiler insulation.

TRAINING WILL INCLUDE

- Asbestos updated information.
- Health & Safety concerns.
- Respiratory protection.
- Containment procedures.
- Safe Work practices.
- Safe preparation of the Work Area.

The initial Workers Training is scheduled to run on four consecutive days Monday - Thursday from 9:00am - 5:00pm. The Workers Re-certification, is one day only.

All courses will be conducted by a US EPA approved instructor.

In order to receive the certificate of achievement you must attend all sessions and pass an exam.
