NON-MINISTRY GOVERNMENT HOUSE

PATI Information Statement

Name of Public Authority: The Office of the Governor, including the Deputy Governor's Office

Introduction:

The Public Access to Information 2010 (PATI) legislation was designed to make central Government, and the larger public sector, more open and accountable by giving the public the legally enforceable right to request and access information subject to limited and prescribed exemptions. Each public authority is required to produce an information statement that gives the public an overview of the types of information accessible through the public authority. This information statement provides information on the functions and services of the Office of the Governor and the classes of records held.

Through this Information Statement the Office of the Governor hopes to provide assurance to the public that it is operating in line with best practices both locally and internationally.

The following information is not accessible, due to requirements of security or confidentiality, or exemption under the PATI Act 2010:

Information held in personnel files, unless that information is requested by the person themselves (subject to certain instances where disclosure may be allowed);

Exemptions according to the Act:

Health or safety: where disclosure would endanger the physical or mental health or the safety of an individual

Information received in confidence

Cabinet documents

Ministerial responsibility: where disclosure of records could undermine free and frank discussion and advice between Ministers, or between Ministers and public officers, in the course of their public duties

Deliberations of public authorities: where disclosure could undermine free and frank discussion and advice during the course of the deliberative process

Operations of public authorities: where disclosure could prejudice the effectiveness of operations of public authorities

Records for which disclosure could have an adverse effect on the **financial and economic interests** of Bermuda

National security, defence and international relations (e.g. Bermuda Regiment Aide Memoirs, Standard Operating Procedures)

Governor's responsibilities and communications with the United Kingdom

Law enforcement records: where disclosure of certain types of information would prejudice law enforcement efforts or would endanger a person's life or safety

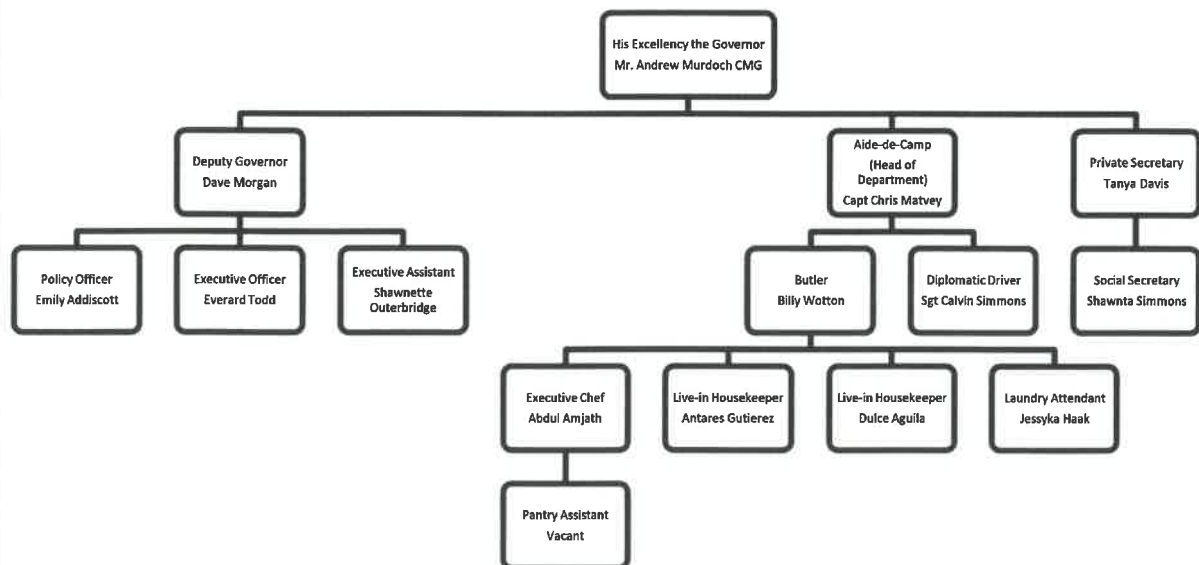

Legal professional privilege: where disclosure of records would be exempt from production in legal proceedings on the basis of legal professional privilege

Records for which disclosure would be in **contempt of court or a breach of parliamentary privilege**

Disclosure prohibited by other legislation

The **Governor of Bermuda** is appointed by His Majesty The King on the advice of the British Prime Minister. He/she is responsible for the matters set out in the Bermuda Constitution, and for such other matters as The King, through his Ministers in London, assigns to him/her.

The Constitution reserves to the Governor responsibility for external affairs, defence (including the armed forces), internal security and the police, except insofar as he/she chooses to delegate. The Governor is the Commander-in-Chief of the Royal Bermuda Regiment and is also responsible for certain public appointments: the Attorney General, the Chief Justice, members of the Judiciary, the Secretary to the Cabinet, the Auditor General, the Director of Public Prosecutions, the Ombudsman, the Commanding Officer of the Royal Bermuda Regiment, the Commissioner of Police and the Deputy Commissioner of Police, the Information Commissioner and the Privacy Commissioner.

All Governors in the Overseas Territories are expected to work in close partnership with the locally elected Governments.

In particular, the Deputy Governor chairs or is a member of various

committees charged with work under these broad headings. He/She represents the Governor on the Emergency Measures Organization Executive Committee.

As a member of the Foreign, Commonwealth and Development Office (FCDO), the Deputy Governor is responsible to the Governor for ensuring that Bermuda meets the international obligations which the UK has assumed on its behalf, such as in relation to marine, aviation, environment and human rights issues.
