The Department of Parks and the Judiciary Department require certified mold remediation of government documents by a suitably qualified firm specializing in secure document handling, cleaning and management services (hereafter referred to as "the Supplier").

The Supreme Court File Cleaning / Parks Department Library book and document cleaning project is a **two (2) part project** being conducted cooperatively by two independent Government departments **under separate Agreements**. The Government **intends to enter into two agreements with only one (1) legal entity**.

1. **Annex A, Part A: Parks Department - Supplier Agreement** involves a significant volume of Parks Department library books and reports which had been left in a deteriorating environment and as such the documents have become contaminated with dampness and mold (see ANNEX E & ANNEX F for further details).
 1. **Annex A, Part B: Judiciary Department - Supplier Agreement** likewise involves a large number of Supreme Court files and other documents in similarly poor condition also requiring remedial cleaning and restoration.
- The successful Respondent will be requested to:
 1. Erect a remediation chamber/facility suitable for the mold remediation of delicate books, papers, files and other miscellaneous documents for use in both Agreements;
 2. Collect, Remediate & Containerize Parks Department Library books and materials with Parks-supplied containers according to the Annex "Record Management Service's Instructions & Guidance Notes" under the Parks - Supplier Agreement;

PART 2 – EVALUATION AND AWARD

2.1 Stages of Evaluation

The Government will conduct the evaluation of quotations in the following stages:

2.2 Stage I – Mandatory Submission Requirements

Stage I will consist of a review to determine which quotations comply with all of the mandatory submission requirements. If a quotation fails to satisfy all of the mandatory submission requirements, the Government will issue the respondent a rectification notice identifying the deficiencies and providing the respondent an opportunity to rectify the deficiencies. If the respondent fails to satisfy the mandatory submission requirements within the Rectification Period, its quotation will be rejected. The Rectification Period will begin to run from the date and time that the Government issues a rectification notice to the respondent. The mandatory submission requirements are set out in Section C of the RFQ Particulars (Appendix D).

2.3 Stage II – Evaluation

Stage II will consist of the following two sub-stages:

2.3.1 Mandatory Technical Requirements

The Government will review the quotations to determine whether the mandatory technical requirements as set out in Section D of the RFQ Particulars (Appendix D) have been met. Questions or queries on the part of the Government as to whether a quotation has met the mandatory technical requirements will be subject to the verification and clarification process set out in Part 3.

2.3.2 Rated Criteria

The Government will evaluate each qualified quotation on the basis of the rated criteria as set out in Section F of the RFQ Particulars (Appendix D).

2.4 Stage III – Pricing

Stage III will consist of a scoring of the submitted pricing in each qualified quotation in accordance with the price evaluation method set out in Pricing (Appendix C). The evaluation of the price will be undertaken after the evaluation of mandatory requirements and rated criteria has been completed.

2.5 Selection of Top-Ranked Respondent

After the completion of Stage III, all scores from Stage II and Stage III will be added together and respondents will be ranked based on their total scores. Subject to the process rules contained in the Terms and Conditions of the RFQ Process (Part 3), the top-ranked respondent will be invited to enter into the Agreements in accordance with Part 3. In the event of a tie, the selected respondent will be the respondent selected by way of the lowest price. The selected respondent will be notified in writing and will be expected to satisfy any applicable conditions of this RFQ, including the pre-conditions of award listed in Section E of the RFQ Particulars (Appendix D), and enter into the Agreements within the timeframe specified in the selection notice. Failure to do so

may result in the disqualification of the respondent and the selection of another respondent or the cancellation of the RFQ.

This information may include, without limitation, clarification with respect to whether a quotation meets the mandatory technical requirements set out in Section C of the RFQ Particulars (Appendix D). The response received by the Government shall, if accepted by the Government, form an integral part of the respondent's quotation. The Government may revisit, re-evaluate and rescore the respondent's response or ranking on the basis of any such information.

and will not take any action that would cause the Government or anyone acting on their behalf to violate or be subjected to penalties under *The Bribery Act 2016*, or the applicable anti-corruption laws of other countries.

The respondent acknowledges and agrees that in the event that the Government believes, in good faith, that the respondent has breached this section, the Government shall have the right to immediately withdraw and terminate this opportunity and terminate any or all other agreements with the respondent.

3.6 Procurement Process Non-Binding

This RFQ is a request for quotes only and participation in this RFQ is not intended to create legal obligations between the Government and any of the respondents or their representatives. For greater certainty and without limitation:

- (a) Participation in this RFQ will not give rise to any preliminary contract or collateral contract;

These Terms and Conditions of the RFQ Process (Part 3):

- (a) are intended to be interpreted broadly and independently (with no particular provision intended to limit the scope of any other provision);

- (b) Arithmetical errors will be rectified on the following basis:

- (i) Where there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If the respondent does not accept the correction of errors, its Bid will be rejected. If there is a discrepancy between words and figures the amount in words will prevail;
- (ii) Where there is a discrepancy between the amounts in figures and in words, the amounts in words will govern; and
