

ANNEX J

Tynes Bay Waste to Energy Facility

Overhead Refuse Crane Installation

Drawings

1. The existing building drawings from 1992 are not included with these tender documents because of the number of drawings and size of the files.
2. The Owner supplied cranes, refuse grabs and monorail hoist general arrangement drawings and single line drawings are also available as noted below.
3. To request the drawings please contact Mr. Nasir Wade at nrwade@gov.bm
