Plant Distribution Transformer # 2  
(Off Line)

A photograph of a plant distribution transformer. The transformer is a large, light blue metal cabinet with a door that is open, revealing a grid of vertical bars. It is situated in an outdoor enclosure with a concrete wall and a metal grate floor. Various pipes and conduits are visible on top and around the transformer. A red text box with a green background is overlaid on the image, containing the text "Plant Distribution Transformer # 2 (Off Line)".
