

GOVERNMENT OF BERMUDA
Ministry of Health, Seniors and Environment

Department of Environmental and Natural Resources
Application for Permit to Import Plant Material

All plant material arriving in Bermuda must be accompanied by an Import Permit issued by the Department of Environmental Protection and a Phytosanitary Certificate issued in the country of origin. Imports arriving without these papers will not be accepted.

The following are prohibited entry:

- Any plants or propagating material thereof which can be grown true and readily from seed.
- *Althaea*, all propagating material except seed;
- Carrots in raw untreated state (seed permitted);
- *Citrus* spp., all propagating material except seed;
- Corn (*Zea mays*) and sorghum, all raw parts except loose grain;
- Carnation (*Dianthus* spp.), all propagating material except seed from England;
- *Hibiscus* spp., all propagating material except seed;
- Sweet potatoes, morning glories (*Ipomoea* spp.), all propagating material except seed;
- Bananas, plantains (*Musa* spp.) excluding fruit;
- Oleander (*Nerium* spp.), except seed;
- Palmae (all members), all parts and seed except husked coconuts;
- Soil.
