**DESCRIPTION: Questions from a Potential Bidder**

Question	Answer
1) For external users, and mobile apps will the users be connected via VPN to the government's network, or is this access expected to be via public internet?	<b>Users will not be connected via VPN to the Government's network. Access is expected to be via public internet.</b>
2) Is there a data conversion piece to bring in data from the current system?	<b>There is no requirement for "data conversion" from a current system. However, we will transfer in Word and PDF documents and some statistics from current and past hardcopy case files into the electronic case folders.</b>
