

## PROCUREMENT NOTICE

This Procurement Notice is issued by the Government of Bermuda (the “Government”) to provide summary information in relation to a specific procurement, as detailed below.

### 1. Subject Matter of Procurement

RFX Title: **Pilot Boat**

RFX Number: **MAP2021/001**

Purchase Type: **Goods**

The successful proponent must have the ability to design and build a new Pilot Boat design specifically for the transfer of Pilots, off shore Medical evacuations, crew transfers and to serve as a backup boat for offshore Search and Rescue with minor Fire Fighting capabilities. The vessel will be built to Lloyds Classification by an accredited boat builder by some of the below specifications. The vessel must have good sea keeping capabilities, propeller driven twin screw and must be of modern design. LOA: approximately 55' or 17m Beam: 17' or 5m Draft: 5' or 1.5m.

The power plant and auxiliary engine must be purchased from an authorized dealer, designed to deliver a service speed of 20 kts designed to be efficient and operate in economy mode. This vessel must be fitted with an A/C unit, all deck and hull hardware and pumps should be high standard and industry quality.

The cockpit must be of modern design, outfitted with user friendly navigation equipment and must provide a good view of the foredeck and of the pilot boarding area. The cabin must be designed for comfort for a work boat of this class with seating arrangements up to six with accommodations for a stretcher.
