

GOVERNMENT OF BERMUDA
Ministry of Public Works

Department of Works and Engineering

Ref: 41/188/1/75

13 March 2017

Dear Bidders

The Government of Bermuda, through the Ministry of Public Works (hereafter known as “Ministry”) is soliciting tenders from experienced contractors to supply and install a replacement water main near Fort Prospect, Devonshire. The purpose of this work is to replace a portion of the existing south distribution main as part of the Governments Urgent Central Distribution Improvement Program. This project involves trench excavation; supply and installation of 6” High Density Polyethylene Pipe (HDPE) pipe; re-connection to existing supply points; backfill trench and reinstatement of the road

The Ministry invites you to submit a tender accordance with the accompanying documents:

- Letter of Invitation
- Instructions to Tenderers
- Scope of Work and Specification
- Form of Tender
- Drawings
- Short Form of Contract

In addition, this invitation and the tender documents may be obtained from the Government’s portal at <https://www.gov.bm/procurement-notices> along with any addenda.

Pre-bid meeting

The Ministry will hold a pre-bid meeting and information session on 20th March, 2017 at 10:00 a.m. AST at the Police Club building, 32 Headquarters Hill, Devonshire, located off Frog Lane, Devonshire.

Notice of Intent to Bid

Interested tenderers shall submit notice of their intent to bid by email. Please indicate in the subject Line “Notice of Intent - RFT South Distribution Main replacement and sent the email to tjchristopher@gov.bm no later than 4:00 p.m. on the 24th March 2017

Tender Submission

All Tender submissions must be delivered to the Ministry of Public Works, Department of Works and Engineering located on the 3rd floor, Post Office Building, 56 Church Street, Hamilton, no later than 3:00 p.m. 31st March 2017 in a sealed envelope. Late submissions will not be considered.

The outer envelope of the tender submission must be clearly marked with the title:

Tender Submission
